We enjoyed our stay at Olympic Villa and we would recommend to others. The area is nice, we have visited previously. We would recommend La Cultura Del Gusto, Sizzlers and Mojitos restaurants. We really enjoyed our stay and had a lovely relaxing holiday.

Relax! Tracy & the team take care of everything. The villa is in an ideal position, just far away from the main street to be quiet & relaxing but near enough that it only take a couple of minutes to walk to the main area or beach. Perneria is ideal for us as it is a quieter resort but has ample restaurants, shops & bars, but Protaras & Ayia Napa are just a bus ride away if you want more. The Red Bus tour to Famagusta & Varosha is well worth doing & we really enjoyed the Dancing Waters show in Protaras. The best restaurant by far was La Cultura Del Gusto; food was excellent. Olympic Villa is a very good standard with everything you could need including a lovely pool & outside area & the caretakers are just a phone call away which is reassuring. If only we were still there!

18/8-1/9 2013 John & family

Everything was fine with the villa, it was exactly as described. We enjoyed the holiday and the villa is in a lovely community next to all good amenities. All the restaurants were worth a visit and we didn't have a bad meal at all. I would definitely recommend it to all and would certainly book again.

The look of the villa was as expected and maintained to a high degree and was clean and tidy. We stayed in Crystal Lagoon last year as it is ideally situated for local amenities. Everything had been catered for at the villa and your caretakers were very helpful.

25/7-1/8 2012 Jennifer Billings & James Dale party

We rented out Olympic Villa 6 and Sun n Sea Villa 7 (next door) for one week. We are a group of 13 friends all aged between 22 and 25. Tracy was extremely helpful in sorting out the villas for us and the transfers and was always quickly responsive. On arrival the villas were immaculate. The location is perfect - 2 supermarkets right outside of Crystal Lagoon with everything you could need. Perneria is a small town but has various restaurants, hotels and bars and you wouldn't have to leave Perneria if you didn't want to. Protaras is a 20 minute walk away or 5 minute taxi. We went into Ayia Napa every night which is a 15 minute taxi ride and 15-20 euro for a large taxi! We ate twice at La Cultura Del Gusto which is a 5 minute walk away from the villas, it is delicious! I would highly recommend it. The villas were fully equipped with toys for the pool which were great especially when on holiday with 8 boys/men! It kept them entertained. All in all it was an amazing holiday and the villas were perfect.

7-14 July 2012 Torkel Stene and family

We were two adults and four children (aged 7, 7, 10 and 11). All of us loved the villa and the area. We had a terrific week! The villa was tidy, modern and well equipped and the pool area was beautiful. Via e-mail - Hi, Tracy! We had a wonderful week, and we loved the house! Attached is a pic of the kids outside on the last day. It was a shock coming home to cold Norway!! I want to thank you for being so helpful and service minded right from the first mail I sent you. Will recommend you and your company to my friends!

We found the villa was lovely; it had everything that we needed and had clear instructions. It made life easier for us with travelling and staying knowing that we didn't have to bring things such as towels. Also the welcome pack was brilliant as the shops were closed when we arrived on the Sunday evening. The taxi firm (Platon) was brilliant too. They really looked after us even bringing water to the airport.

I would just like to say what a wonderful time we had staying at Olympic Villa, everything we could have needed was there for us from start to finish, we had a visit from Margaret and Gary on our first day who I must say were absolutely lovely and very helpful. The whole experience was a good one and I must say that you made our day by your kindness of allowing us to remain in the villa past the deadline on our final day, I cannot begin to tell you how much easier that made it for us and just helped cement the great time we had. Tracy it has been a delight dealing with you and we would most certainly look to use you again on future visits to Cyprus and would just like to say "a big thank you from the Cluett family".

We had a great family holiday with our children and parents. The villa is a superb standard and has all the useful bits and pieces you may need while away. The area is perfect for small children - quiet and safe, with access to the busier part of town a short walk up the road. The beach and facilities are ideal for families and provide hours of fun. The children's play area near the beach with slides and swings is in a great location offering shade and sun. The kids enjoyed visiting this on the way to the beach.

Also the pool bar on the way to the beach provides an ideal stop for a beer on the way back from the beach. Excellent staff and very family friendly with a shallow pool. Ideal for kids to play and the internet access was good, for those of us who have to stay in touch with the UK!! We visited this every day and it provides a good alternative to the villa pool and the beach.

This was our second visit to Crystal Lagoon, by day 3 we had already decided to re book. A relaxing environment in a really good location; its ideal for families as it has everything you need to keep adults and children happy.

We found the villa to be perfect, the pool welcoming and much used in the heat. The area is lovely, ideal for families you can walk to all the action or relax with a BBQ around your private pool. The caretakers are brilliant, very friendly and helpful and always on hand with tips and help if needed. We will return, many thanks to Marcie and Paul and to Tracy for all their help.

Olympic villa was lovely – exactly as it looked in the photos. Modern and contemporary décor, very clean and tidy and well equipped. Great location within a short stroll to beaches, shops, bars and restaurants plus easy walking distance to the larger town of Protaras. An ideal choice for a family holiday. We would definitely consider booking again for next year.

The Villa was very clean and family friendly. My kids and I thoroughly enjoyed our visit. All the amenities were nearby. The information pack in the Villa was very helpful too. The villa is decorated very tastefully and it had the best air conditioning ever!

This villa is a fantastic base for a holiday. It was very welcoming and within a five minute walk to the beach. We hired a car for the whole holiday and travelled around quite a lot but found that the beach to the left hand side of the main beach in Pernera was the nicest around – especially for small children as it was like a mill pond. This is the first time we have stayed in a villa but I would never want to go back to a hotel again as the space we had and the freedom of meal times was much more appealing to us. For anyone looking for a villa type holiday, you will not find a better example. Highly recommended. Thanks Tracy – once again – for all your help and professionalism to make our holiday a success.

A very nice and quiet place for families. Anything you need in the house feeling as if you are at home. A relaxing vacation in such a house, pool and garden is what I needed after a full year of work.

Olympic Villa was very well located – quiet yet close to all the facilities of Pernera. You do not need a car – yet we found one useful for visiting the beaches and shopping – particularly in the heat. The directions were very good. The villa was very clean and well presented. The welcome pack was great and included everything we needed for a snack and a drink. This Villa is great for a family holiday.
